YOU DESERVE CREDIT FOR YOUR THE following is from a distinguished men bec of the medical profession:

Sr. Paul, January 1, 1956. Prof. O. J. Wood—Dear Sir: Engolicited. I tend you this certificate. After being mearly baid for a long time and having tried all the hair restoratives extent, and having no fallh in any, I was induced on hearing of yours, to give it a trial. I placed myself in the banks of a barber, and had my head rabbed with a good stiff brush, and the ilestorative them applied and well rubbed in, till the scalp was all a claw. This I repeated every morning and in stiff brush, and the Restorative then applied and well rubbed in, till the scaip was all a glow. This I repeated every morning and in three weeks the young hair appeared, and grew rapidly from August last up to the present time, and is now thick, black and strong—soft and pleasant to the touch, whereas, before it was harsh and wire, what little there was of it, and that little was disappearing very rapidly. I still use your Restorative about twice a week, and shall soon have a good and perfect crop of hair. Now I have never seen hitherto any case in which any person's hair was really benefitted by now of the hair tonics, &c., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and general saie throughout the Territory. The people here saw its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted and daily inquiries are made for it. You deserve credit for your discovery. I for one resturn you thanks for the benefit it has done me, for I certainly had despaired long ago of ever effecting any such result.
